All families choosing the monthly payment plan must enroll in the FACTS Tuition Management program. An annual fee of \$41 will be assessed by FACTS within 14 days of enrollment.

In addition to the tuition and fees outlined above, all families are expected to support our Annual Fund Drive by making a tax-deductible donation to the school.

### **Refund Policies:**

- The annual \$100 Registration/Application Fee for each child is non-refundable and is due upon application of a new student and re-enrollment of a continuing student.
- The 10% tuition deposit is applied to the annual tuition and is non-refundable for any reason, including early withdrawal from the school.
- If a new student application is withdrawn prior to July 1, 2009, the Capital Development Fee will be refunded. After July 1, 2009, the Capital Development Fee is non-refundable.
- The first and second tuition payments cover services provided in September and June. First and last months' tuition payments are non-refundable after July 1, 2009.
- The Participation Deposit is fully refundable prior to the first day of school. After the start of the school year, the refund will be pro-rated based on the number of participation hours completed.
- A two-week written notice is required for withdrawal of a student during the school year to be eligible for pro-ration of the annual tuition excluding first and last months tuition.

- If a student is withdrawn prior to March 1, 2010, the annual tuition will be pro-rated after the end of the month in which the student withdraws. Total tuition due to Casa di Mir will be the 10-month rate from September through the month in which the student withdraws, plus the last month's tuition. All other months the student does not attend which are pre-paid will be refunded.
- There will be no pro-ration of tuition for withdrawals after March 1, 2010.
