

Kids Creative Adventures presents:

CHARACTER AND COMIC BOOK DESIGN

This class is designed for the student who is interested in designing their own characters. Students will work at an independent pace to create a set of characters that can be incorporated into their own comic book! Learn the art of character design, composition and layout, character introduction, color theory, speech balloons and lettering.

Calling all Artists...

This exciting drawing class is taught by professional cartoonists and animators. Have a great time sharpening those fine motor skills while learning the basics of drawing, color and design.
